

Workshop “Fluctuation X-ray Scattering”

Dear Colleagues,

This is the 2nd Announcement for the workshop “Fluctuation X-ray Scattering” organized by European XFEL. The workshop will take place **2 – 3 June 2021** online via Zoom.

The scope of the Workshop is to review recent theoretical and methodological advances in Fluctuation X-ray Scattering (FXS), as well as applications of the FXS approach for materials research at storage rings, Free-Electron Lasers (FELs), and other facilities.

The workshop program is available online at <https://indico.desy.de/e/fxs>

Workshop registration is open until May 30th 2021. After the deadline all registered participants will receive an email with further information and the Zoom link to the workshop.

With best regards,
